JUNIOR AMERICAN CITIZENS COMMITTEE

Dear Teachers/Leaders,

Thank you so much for encouraging your children to participate in the Junior American Citizens Contests this year, as we explore “The 100th Anniversary of the 19th Amendment: American Women Rise and Shine”.

You are certainly making a difference in our children’s lives and their appreciation of this great country. What they are learning today will influence the kind of American citizens they will become in the future.

In order to provide opportunities for all children to be winners, we will be judging each grade on three levels. On the JAC entry form is the direction: “Please circle in which group this entry should be judged: Group 1, Group 2, or Group 3.” This form stays with each child’s entry throughout the judging process.

The following is the code that you will need to correctly circle the entry for our judges:

Group 1 = Gifted

Group 2 = General

Group 3 = Special Needs

This information will be carefully protected by our judges and no award medal or certificate will indicate a special group. Please help us to make sure that no identifying labels of achievement levels is ever given out to the news media.

Thank you again for your commitment to our wonderful children.

Sincerely,

The JAC Committee
